MARILYN D. KOVARIK
DISTRICT COORDINATOR
MATHEMATICS & BUSINESS EDUCATION

January 2, 2007

Dear Parent or Guardian,

A community volunteer group is continuing the **free math tutoring and homework assistance** for students in Grades 6 - 12. The sessions will be on Wednesdays at Van Wyck JHS and on Thursdays at Wappingers JHS. Please consult the calendar of dates at the end of this letter for the session meeting dates. All WCSD students in grades 6 – 12 are welcome to attend the sessions at either or both schools.

Students attending these sessions are expected to bring their homework or test questions, and have their textbooks. The students will be helped on a first come, first serve basis and every effort will be made to help all students who attend a session. Only students participating in the math help program and their parents/guardians will be permitted into the sessions. Please take care to have your child report to the appropriate room for their grade level. Students “waiting for their friends” must wait outside the school building.

Students do not need to register for a particular session but do need to bring a signed permission slip to the first session they attend. Parents need to provide or arrange for their student’s transportation to and from each session. If parents choose, they can wait or arrange with their child to return at a fixed time.

I hope your child is able to take advantage of this opportunity. If you have any questions, please do not hesitate to contact me at 298-5000 x170.

Sincerely,

Marilyn D. Kovarik
Coordinator for Mathematics and Business Education

SESSION DATES:

Van Wyck – Wednesdays	Wappingers JH – Thursdays
Grades 6–8: Room 201 7:00 – 8:00 pm	Grades 6–8: Room 201 7:00 – 8:00 pm
