Bring Pride Back to Wappingers Central School District

- 1. A positive relationship exists between school conditions, student achievement and behavior.**
- 2. Facility conditions may have a strong effect on student performance and attendance.**
- 3. Students are more likely to prosper when their environment is conducive to learning. Well designed facilities send a powerful message to kids about the importance a community places on education.**

Good Facilities Maintenance Costs Money

Facilities Preventative Maintenance Produces Savings by:

- 1. Decreasing equipment replacement costs over time**
- 2. Decreasing renovations costs because fewer large scale repair jobs are needed**
- 3. Decreasing overhead costs (such as utility bills) because of increased system efficiency**
