Hello Parents/Guardians of the RCK Community,

I would like to take this opportunity to introduce myself as the new principal of Roy C. Ketcham High School and to welcome all of our students and families to the 2016-2017 school year. I have been privileged to work in the field of education for the past sixteen years. In this time, I have served as a coach, mentor, teacher, district level administrator, and most recently as Assistant Principal here at RCK.

I could not be more thrilled to be Principal of RCK. I want you to know that I am very excited to see your child(ren) succeed in their course work, and to participate in all of the wonderful clubs, programs, and activities that we have here at RCK.

We have an all new administrative staff coming in for the 2016-2017 school year that will add to our already excellent team in place. Our mission here at RCK is to enable our students to build the necessary confidence to be responsible global citizens and we will continue to provide all of the supports and services necessary for our students to succeed.

This upcoming school-year marks an exciting time for the RCK community as students will be returning to classrooms that have been outfitted with brand new, state of the art technology and a beautiful, newly renovated cafeteria. We will be announcing further major improvements at a later date.

I am looking forward to meeting all of our incoming freshmen class members and hope to see all of you at our Freshman Orientation on August 22nd.

As your Principal, my door will always be open and I welcome your input. Please feel free to connect with me and be a partner in this work to make this the best year at RCK!

Yours in education,

David Seipp

David Seipp, Principal

"The mission of the Wappingers Central School District is to empower all of our students with the competencies and confidence to challenge themselves, to pursue their passions, and to realize their potential while growing as responsible members of their community."
