Dear Parents:

<u>Please do not send medication of any kind to school with your child</u>. This includes all medication such as aspirin or any type you may obtain without a prescription. This not only applies to medication that may be taken by mouth but any type that is applied to any area of the body. If a child arrives at school with medication, we are required to confiscate it, and it will be the responsibility of the parent to claim it. Under certain unusual circumstances when it is necessary for a child to take medication at school, the school nurse may cooperate with the physician and the parents, but <u>certain definite requirements must be met.</u> These standards are set up by New York State Educational Law.

All the following regulations must be met.

- 1. The School nurse must have a written order <u>signed by a physician</u> giving the following information:
 - o Name of medication and possible side effects
 - Reason for giving it
 - o Dosage
 - o Time
 - Number of days
- 2. It must have a professional label (either a drug store or Drug Company, if a proprietary).
- 3. It should be delivered directly to the school nurse by the parent.
- 4. The parent or guardian must submit a written request to the school nurse to give the medication as directed.

NEW PRESCRIPTIONS ARE REQUIRED AT THE BEGINNING OF EACH SCHOOL YEAR IN SEPTEMBER.

It is also the responsibility of the parent to come to the Health Office to obtain any unused medication. If unused medication is not picked up, it will be discarded seven days after the date of final dosage. Medication that has been prescribed for a period extending to the end of the school year will be discarded on the last day of school in June if it has not been picked up. If at any time the physician wishes to increase the dosage, s/he must submit this request in writing. <u>A verbal or telephone request from the parent or physician is not acceptable</u> from the standpoint of protection for the nurse and the school. Medication in the care of children is a serious hazard and endangers the lives of other children. If you have any questions or concerns, please call the school nurse.

WCSD Bus Transportation to and from a Babysitter or Daycare for the 2017-2018 School Year

Students in Grades K-8 are eligible for bus transportation to or from a Babysitter or Daycare location. A student may be transported to or from the location of a child care provider if the student's legal residence and the Child Care provider's location are both located within the boundaries of the District.

Parents must request child care transportation no later than April 1st of the current school year for the 2017 - 2018 school year. Child Care requests must be filed every year, even if there is no change to your student's Child Care provider. Forms are not carried over from year to year.

Daycare facilities registered under Section 390 of the New York State Dept. of Social Services are entitled to transportation to and from Daycare centers within the Wappingers Central School District, provided the application is received by the April 1st deadline. Requests received after the April 1st deadline will be considered a late file and you may not get the bus stop you request. Any requests received after August 15th will be held for processing until after September 30th, meaning you will not have babysitter or daycare transportation set up for the month of September. Babysitter locations NOT licensed or registered under Section 390 of the NYS Dept. of Social Services are restricted to the attendance zone of the school the child attends.

Daycare locations must be set up for five (5) days a week in and/or out. Otherwise a daily note to school is required, and only to or from an existing stop.

All bus routing is completed by the time school starts. For your child's safety, the bus driver, teacher, school and Transportation Department need to know your child's proper bus and bus stop. For this reason, all alternate transportation requests for the start of the school year must be processed by August 15th. Late requests made after this date will not be processed until after September 30th AND there may not be a bus available to and/or from your chosen daycare provider.

Childcare Transportation Request Forms are available in each school's Main Office and on our Transportation Website. Please fill out one form per student and return it to your child's school. The Principal or his/her designee must sign the form. Main Office personnel will send it to the Transportation Office to be processed. Please allow five (5) days for processing. Any time a change is made, a new form must be submitted to school.

If you are new to the District, you must go to our Central Registrar to register your child before transportation can be arranged. For families who become district residents after April 1st, a transportation request should be submitted within thirty (30) days of establishing district residency.

Central Registration is located at the WCSD District Office, 25 Corporate Park Drive, Hopewell Junction, NY 12533. Call ahead for an appointment at (845) 298-5000, ext. 40132. Please bring proof of residency to your scheduled appointment.

Daycare and Babysitter transportation forms received after August 15th will not be processed until after September 30th. The safety of transporting our students (close to 12,000 in all!) is top priority. Late daycare requests cause unnecessary confusion during the first weeks of school which puts children at risk. If you haven't turned your request in on time, your child will be transported to and from school on their assigned neighborhood bus until notified by the Transportation Dept.
