

Dear Parents:

September 2012

We all recognize that hungry children cannot learn. The first step is ensuring that all students begin the school day with a nutritious breakfast at home or at school. School Breakfast participation has been shown to improve standardized test scores, make kids more alert in class, and improve classroom behavior.

The School Breakfast Program is available to all students every weekday morning. No advanced registration is necessary; your child can attend every day or only occasionally. Students go from buses to the kitchen, grab a breakfast bag and eat in the classroom.

School Breakfast is an ideal solution on mornings when kids are running late or parents have early commitments. Whatever the reason, if breakfast at home is not convenient, please take advantage of breakfast here at school.
